## KENTUCKY DEMOCRATS EN-DORSE COX FOR PRESIDENT

Just before the Democratic State Convention adjourned at 1 o'clock Wednesday morning, at Louisville, it voted to send the entire Kentucky delegation of 26 persons to the Democratic National Convention instructed for Governor James M. Cox, of Ohio, for the Democratic Presidential nomination.

Johnson N. Camden, of Versailles, was elected Democratic National Committeeman from Kentucky.

Eight delegates, including three women, to the Democratic National Convention, each with half vote, were elected by the convention. The eight delegates from the State-at-large include United States Senators A. O. Stanley and J. C. W. Beckham, Congressman Albert W. Barkley and Ben Johnson; Desha Breckinridge, editor of The Lexington Herald; Miss Laura Clay, of Lexington; Mrs. Cora Wilson Stewart, Frankfort; and Mrs. Nora Lane, Fort Thomas.

Judge Charles A. Hardin, of Harrodsburg, was re-elected chairman of the State Central and Executive Committee.

Harmony characterized the early proceedings, which were begun at 2:30 o'clock by Chairman Charles A. Hardin, of the State Central and Executive Committee. Judge Hardin praised the work of the county mass conventions in selecting men and women delegates uncontrolled by any individual or faction. He paid tribute to Colonel P. M. Callahan, of Louisville, for his work to obtain harmony in the party. At the mention of Woodrow Wilson, the members of the convention rose and joined in cheering, that continued for several minutes.

Major Scott Bullitt was elected temporary chairman of the convention without opposition, upon nomination of Judge Everett P. Hoover, of Nicholasville, seconded by A. J. Carroll, of Louisville, and Mrs. Cora Wilson Stewart, of Frankfort, with laudatory speeches.

A fight on W. H. Klair's election to the State Executive Committee, led by Harry McChesney and Elwood Hamilton, featured the proceedings of the Seventh District Convention held in the Watterston Hotel convention hall. The effort to oust Klair failed, as Franklin county was the only one in the district which voted in favor of Paul Gaines, of Frankfort, whose name was substituted by motion for that of Klair's.

On the vote Klair won 258 to 34. The delegation was instructed for Cox for President and for Camden for National Committeeman.

## FARMERS AGREE TO POOL 1920 WOOL CLIP.

The temporary organization of the Bourbon County Farm Federation Bureau was made into a permanent one at the recent meeting held at the court house, when the following officers were elected: Walter S. Meng, president; Samuel Clay, vice-president; Committee on Organization, W. S. Saunders, J. J. Redmon, and Walter Kenney; Committee on Education, J. W. Jones, D. C. Lisle, Charles P. White; Committee on Market and Transportation, J. S. Clay, R. B. Hutchcraft, R. G. Jones; Committee on Legislation, Henry S. Caywood, Jas. H. Thompson, and A. B. Hancock. Committees on Finance and Publicity will be named at a later meeting. A constitution and by-laws were adopted.

The following new members were enrolled: Jas. H. Thompson, John S. Wiggins, Frank Buchanan, Stanley Crim, H. W. Snell, Jos. Jacoby, Winstead Spears, Guy Smith, T. C. Smith, O. L. Davis, G. R. Stoker, Frank Clay, Mr. Florence, Jos. Ewalt, R. H. Biddle, C. C. Larue, J. M. Harney, Hopkins Brothers, I. N. Keller & Son, C. H. Current and G. W. Kiser.

Following the permanent organization, forty-three farmers of the county agreed to pool their 1920 wool clip, amounting in the aggregate to about 30,000 pounds. There is now in the county practically 120,000 pounds of wool, which, at the present market price, will bring between \$400,000 and \$700,000. The Farm Bureau managers believe they will be able to pool at least 80,000 pounds when the wool is ready for delivery. An exchange will be opened, where an expert will grade the wool, and sealed bids from manufacturers and dealers will be received.

Geoffrey Morgan, of the College of Agriculture, at Lexington, was present at the meeting, and gave valuable assistance. The Bourbon county branch of the Bureau now has a membership of three hundred.

## AMERICAN LEGION MEETING

The regular monthly meeting of Bourbon Post of the American Legion will be held in the County Court room, in this city, Monday night, at 7:30 o'clock. All members and all intending to become members are urgently requested to be present. At this meeting plans for the coming campaign for new members will be discussed.

The American Legion will conduct a campaign for new members the week of May 17-22 that will be a "different drive" from any previously held. A feature that the great general public should be quick to realize is that they, members of the public, will not be called upon to contribute anything but good will. Positively no money contributions will be expected or received from them. They will be expected to exhibit their friendship, but not their check books. The campaign is aimed at men who are eligible for membership, which means that every member of the Legion will have to take on and convince two comrades.

## POPULAR YOUNG TENOR TO SING IN PARIS.

A young American tenor who has recently created a furore in the East is Ernest Davis. Grand Opera impresarios and critics prophesy that his new star will soon take rank as the greatest tenor this country has yet produced.

Like "Young Lochinvar," Mr. Davis came out of the West, Iowa, Kansas, being his birthplace. When still a youth, the remarkable range and beautiful quality of the young Vestener's voice gave promise of developing into a wonderful organ. Fortunately young Davis realized his possibilities, so, shaking the dust of Kansas from his feet he went to Chicago to prepare himself for a career. His debut at a concert given by the National Society of American Musicians made an instantaneous favorable impression, and led to his signing a five-year contract with Bernard Ulrich, then Manager of the Chicago Grand Opera Co., who foresaw the coming American tenor in the Kansas youth.

At the breaking out of the war, Mr. Ulrich severed his connection with the Chicago Opera Co., releasing Mr. Davis from his contract. Since then Davis has devoted himself principally to the concert platform.

Mr. Davis will sing in Paris at the Christian church, Thursday night, May 20, at 7:30 o'clock. There will be no admission charge. Our music-lovers will have an opportunity of hearing an artist of the first rank.

## RELIGIOUS.

A message has been received to the effect that the big new pipe organ for the Paris Christian church was shipped on May 1. It is hoped to have it installed within ten days after its arrival.

## PRESBYTERIAN CHURCH

At the morning service Mr. Lehman, who is one of the best known Christian Endeavor workers in the South, and who is one of the leaders of the Christian Endeavor Convention to be held in Paris, will preach at the Presbyterian church. There will be no night service in this church, as the congregation will unite in the mass meeting at the Christian church, which closes the convention here. Sunday School at 9:30 and preaching at 11 a. m.

## FISCAL COURT PROCEEDINGS.

The May term of the Bourbon Fiscal Court convened yesterday with County Judge George Battering presiding, and the following Magistrates present: J. L. Fretwell, E. P. Thomason, R. H. Burris, John S. Talbott, A. L. Stephenson, John S. Wiggins, John N. Shropshire, R. O. Turner.

The report of County Road Engineer Ben F. Bedford for the month of April was read, accepted and filed. A large number of claims against the county were allowed and ordered paid. All bids were rejected for the Paris and Owingsville pike, and it was ordered that the work be done by the county on force account. An appropriation of \$4.00 per month payable for the support of Harve Brown was increased to \$5.00 per month. The Court adjourned until the June term.

What has become of the old-fashioned match that didn't break before it bent?

## LEXINGTON RACES CLOSE

The spring racing of the Kentucky Jockey Club, which has been in progress at the Lexington track for ten days, closed Wednesday after a successful meeting, from every point of view. The attendance was much larger than usual. The meeting closed with a larger attendance than at any closing day, and with an excellent card in the running. Bright sunshine and a fast track contributed to the crowd's enjoyment of the sport. The play in the pari-mutuals was of immense volume, Paris and Bourbon county contributing their share both in winning and in losing.

The winners of the closing day's events were: First Race—Duke of Devonshire, Waterford, second, Louis A., third; Second Race—Get Em, first, Tom Norris, second, Tom Roach, third; Third Race—Sway, first, Blue Paradise, second, Vivian America, third; Fourth Race—Ben Bolt, first, Judge Budrow, second, By Ginger, third; Fifth Race—Sands of Pleasure, first, Zulekia, second, Drastic, third; Sixth Race—Lord Hamilton, first, Duke of Lancaster, second, Abess, third; Seventh Race—Adelia W., first, Redstart, second, Jellison, third.

From Lexington the scene of racing activities shifts to the Louisville track, where, to-morrow afternoon, fleetfooted thoroughbreds will race for supremacy in the Kentucky Derby, premier racing event of the Kentucky circuit.

## THE BEALE MINSTRELS COMING TO OPERA HOUSE NEXT THURSDAY.

The Beale Minstrels, presenting "The Frolics of 1920," at the Grand Opera House next Thursday night, could rightly be termed the show of a thousand features, for it is just one big feature after another from the rise to fall of the curtain.

In the big company, numbering over fifty artists, such well-known glee, chasers as Geo. Horine, Gus Owens, Elmer Mullens, Cliff Bartram, E. E. Letton, Vertner Slade, are found. The Eight Jolly Jazzers will dance their way through this merry melange of comedy and song. In the ballad section of the show, Victor Seamon, James Henry and Jos. Huffman, supported by a chorus of twenty-five trained voices, will be heard in the latest New York songs.

A car load of scenery, costumes and electrical effects is carried by the company—song, dance and comedy reign supreme.

The Saver of Cootie Hill, a timely burlesque is one of the big features of the show.

## HIGH SCHOOL NOTES

The county diploma examination will be held at the court house in this city on May 14 and 15. It is desired to have every child in Bourbon county who is ready for High School to take this examination. We hope to have 150 diplomas granted in Bourbon county this commencement. Bourbon county should have five hundred this June. Parents and teachers are asked to help increase this number by sending every child in for this examination. Misses Dorothy Tingle and Margaret Lavin left Thursday for Louisville to represent the Paris High School in the Tri-State Latin tournament at the Girls' High School, which is to be held there to-day.

The Paris High School Latin Tournament is attracting State-wide interest. Forty of Kentucky's best Latin students will take part in this contest May 15. Mr. Sterling, Lexington High and the Louisville Girls' High School are the latest entries.

Supt. Lee Kirkpatrick has received the following letter from State Superintendent of Public Instruction George A. Colvin:

"Dear Supt. Kirkpatrick: As you know, grading of all examination papers by this Department is a new venture, and for that reason, we cannot know just how many assistants will be needed. I shall file your name, and shall be glad to avail myself of your assistance in the event that we need more assistants than have already been provided for. My guess is that we shall need you, and for that reason you can consider yourself as regularly appointed."

This will supercede what was formerly the State Board of Examiners. In the selecting of our capable Superintendent the State Superintendent will confer an honor well merited.
